WELCOME TO THE NDTA FACILITY PARTNER MEMBERSHIP PROGRAM!

The NDTA Membership Committee and Board of Directors are pleased to offer the Facility Partner Membership Program. It is designed to identify therapy centers that have existing NDT-Trained and Certified therapists on staff. These centers join the NDTA as part of a group membership plan. As a facility partner, you will receive full membership benefits plus the added bonus of greater visibility on the NDTA website.

WHY BECOME A FACILITY PARTNER?

An integral part of the mission statement of the NDTA – **Supporting clients and families with education, resources and information** – has always been a cornerstone of the associations actions and policies. By offering our members and visitors an opportunity to more easily locate facilities with NDT-Trained and Certified therapist services, we hope to benefit clients, therapists, caregivers and parents as an singular NDT Community.

Please consider being important part of that community and supporting the NDTA through your Facility Partner Membership!

FOR ONLY \$250 ANNUALLY, THE BENEFITS AND PROVISIONS INCLUDE:

QUALIFICATIONS

TO QUALIFY AS AN NDTA FACILITY PARTNER:

- Facility would provide a contact, which in turn would identify and provide information for three individuals for the complimentary memberships. ALL members added through the facility must be a therapist practitioner and/or an assistant therapist.
- Facility would provide information and pay for any additional members, including annual membership renewal dues.
- There must be at least one NDT-Trained individual on the staff to qualify as a Facility Partner member.
- Benefits to the three individuals are in effect only while employed at the facility, and registered through the facility.
- Membership of individuals is not transferrable to another individual in the facility.
- Membership will be valid for a 12-month period from date of processing.
- All policies and regulations apply to these applicants for NDTA Educational discount rates.
- In the event that the only NDT-Trained individual leaves the facilities' employ, the facility membership would be retracted until such time that an NDT Trained therapist is employed or trained at this facility.
- Membership will resume upon receipt of information and will complete the 12-month cycle already established by the facility prior to retraction.
